JANE OVEITA VAZ

OBJECTIVE

Dedicated and results-driven professional with a foundation in computer science and engineering. With strong problem-solving, decision-making, and organizational skills, I aim to apply my technical knowledge and management capabilities to drive efficiency and innovation. My objective is to contribute meaningfully to your organization's success while enhancing my leadership and operational expertise in the management domain.

SKILLS & ABILITIES

Recent Computer Science graduate proficient in C, C++, Java, Python, SQL, and MongoDB. Awarded "Most Innovative Project" for a unique final year project and co-authored a paper accepted at the IEEE DISCOVER conference. Skilled in problem-solving, project management, and strategic decision-making, with a focus on applying technical expertise to deliver impactful management solutions.

EDUCATION

ST. MARY'S GIRLS HIGH SCHOOL : 2018

SSLC with **88.64%** - state board

ST. AGNES PU COLLEGE : 2018-2020

PUC in PCMB with **89.1%** - state board

ST. JOSEPH'S ENGINEERING COLLEGE : 2020-2024

Bachelor of Engineering in Computer Science Visvesvaraya Technological University(VTU) with **7.37** gpa

After completing my undergraduate studies, from 2024-25 I started creating UGC(user-generated content) as well as content creation and exploring various countries like Canada, the US, and Ireland to identify the best opportunities for higher education. I also prepared for IELTS and took the test in August 2024.

LEADERSHIP

I guided my team throughout our final year project, ensuring smooth collaboration and on-time completion. Additionally, I spearheaded various outreach initiatives and organized technical quizzes, promoting engagement and knowledge-sharing within the engineering community. These leadership roles have strengthened my skills in task management and team motivation.

COMMUNICATION   Very fluent in English, Hindi, Kannada
